Lakeraven, LLC

Accessibility Leadership Backed by Proven Expertise
Helping States Meet the 2026 ADA Title II Digital Compliance Deadline

---

Who We Are

Lakeraven, LLC is a Native-owned, Veteran-led digital services consultancy composed entirely of former federal technologists and accessibility leaders from the Technology Transformation Services (18F, 10X, Presidential Innovation Fellows). We bring decades of experience in designing, auditing, and remediating public digital services to meet the highest accessibility standards—Section 508, WCAG 2.2 AA, and now Title II of the Americans with Disabilities Act.

Our Accessibility Services

- **Accessibility Audits & Remediation Roadmaps**
  Comprehensive WCAG 2.2 AA evaluations across websites, mobile apps, and digital forms. Prioritized remediation plans and hands-on support.

- **Digital Accessibility Compliance Readiness**
  Prepare for the April 2026 ADA Title II compliance deadline with expert guidance tailored to your systems, platforms, and procurement processes.

- **Accessible UX & Content Design**
  Build inclusive experiences through semantic HTML, plain language, ARIA best practices, and accessible design systems.

- **Testing Strategy & Tooling**
  Design and implement automated + manual testing workflows using tools like Axe, WAVE, and screen reader testing with NVDA, JAWS, and VoiceOver.

- **Accessibility Training & Capacity Building**
  Enable your teams with workshops, office hours, documentation, and real-world coaching in accessible development and design practices.

- **Procurement & RFP Support**
  Write accessibility requirements into RFPs and vendor evaluation criteria. Help agencies choose technology that meets federal and state mandates.

Why Work With Us

- **Former TTS Accessibility Leads**
  Experience creating and implementing accessibility strategy for major federal systems, including the U.S. Passport system, Federal Audit Clearinghouse, and Indian Health Services Electronic Health Record (EHR).

- **Cross-Functional Accessibility Expertise**
  Engineers, designers, and content strategists trained in WCAG, Section 508, and inclusive service delivery.

- **Compliance + Usability**
  We don't just "check the box"—we create accessible, usable services for real people, including those who rely on assistive technology.

- **Solutions-Focused**
  Dedicated to delivering the most effective and efficient digital solutions to help our clients achieve their organizational goals faster, more easily, and at a lower cost.

- **Capacity Building, Not Just Consulting**
  We help your teams become self-sufficient in accessibility, reducing future compliance risks and tech debt.
